What is the Metro Hopper?

The Metro Hopper is designed to supplement the Stockton Metro Area (SMA) Dial-A-Ride services provided by RTD. The Metro Hopper has eight routes, each with a one-mile deviation window. Within these one-mile deviation windows, the service covers approximately 75% of the Stockton Metro Area for ADA-certified customers.

The service hours for the Metro Hopper are Monday - Friday, 8:35 AM to 6:05 PM, and buses run hourly.

Fares for the Metro Hopper are the same as RTD's regular bus service: Adult 1-Ride \$1.50, Discount 1-Ride \$0.75, Adult 1-Day \$4.00, Discount 1-Day \$2.00. Deviations are \$1.00 per deviation, transfers between Metro Hopper routes are free. ADA-certified attendants ride free.

To learn more about the Metro Hopper, please call RTD's Information Line at (209) 943-1111.

Metro Hopper Procedures:

RESERVATIONS: Reservations are only needed for deviations and can be made 1 to 2 days in advance. Reservations can be booked seven days a week, from 8:00 AM until 5:00 PM. To make a reservation, call: (209) 955-8400.

DEVIATIONS: The Metro Hopper will deviate up to one mile to pick up and drop off ADA-certified passengers. To make a reservation for a deviation pick-up call: (209) 955-8400.

PICK-UP TIME: The deviation pick-up time has a built-in 20-minute window. The bus may arrive up to 20 minutes before or after your scheduled pick-up time.

WAIT TIME: Passengers are expected to be ready and waiting for the bus. The driver will wait a maximum of 5 minutes for a passenger to board the bus. A No-Show will be charged if a passenger fails to board within this 5-minute wait time.

CANCELLATIONS: Deviation cancellations must be made as soon as possible. This will provide an opportunity for someone else to reserve a deviation. To avoid a No-Show charge, you must cancel your deviation at least 2 hours before scheduled pick-up time.
