RTD to Hold Annual Fall Festival

(Stockton, CA) — San Joaquin Regional Transit District (RTD) will hold its fourth Annual Fall Festival community event on Friday, October 28, from 3:00 pm to 6:00 pm at the Downtown Transit Center (DTC), 421 E. Weber Avenue, Stockton.

This community event features safe and family-friendly activities, including a haunted bus, carnival games, face painting, and a photo booth. Come enjoy unique science activities from the World of Wonders Science Museum and vehicles from the Stockton Police Department. Throughout the event, the Stockton Unified Mariachi and the Central Valley Youth Symphony will provide music and entertainment. There will also be food and treats for sale, as well as a Día de los Pasajeros (Day of the Passengers) area in recognition of the upcoming Día de Los Muertos (Day of the Dead) holiday featuring an exhibit from the Mexican Heritage Center.

Admission is free for children 12 and under, and \$1.00 per teen or adult. A portion of the ticket proceeds will benefit United Way of San Joaquin County. Additionally, the first 500 children to visit five community tables at the event will receive a free reusable trick-or-treat tote filled with goodies, treats, and surprises. Costumes are encouraged!

RTD thanks KJOY, Bank of Stockton, Community Medical Centers, Siegfried Engineering, Downtown Stockton Alliance, Beattie & Aghazarian, and the Tracy Press for their sponsorship of the 2016 Fall Festival. Sponsorship opportunities are still available. For details, contact Marketing Manager Terry Williams at twilliams@sanjoaquinRTD.com or (209) 467-6695.
