

RIDER NOTICE

June 17, 2008

Attention: All Lockheed Martin 3 – Route 166
Passengers

On July 15, 2008, the San Joaquin Regional Transit District (RTD) Board of Directors approved the implementation of an interregional fare increase, effective August 1, 2008.

The need for RTD to increase its interregional fares comes as a result of reduced state funding and increased fuel costs. RTD's interregional fares have not been adjusted since 2001.

Following is the fare structure for Lockheed Martin 3 – Routes 166, effective August 1.

Stockton to Lockheed -	\$199.00
Manteca to Lockheed -	\$191.00
Tracy to Lockheed -	\$176.00
Pleasanton -	\$153.00
Daily Fare -	\$ 14.00

Please ensure your payment reflects the appropriate fare.

For more information on the implementation of the new interregional fares, please contact Roberta Paoletti, Commuter Services, at (209) 467-6625 or (888) 802-9675.
