Interregional Fare Increase

Effective August 1, 2008

On July 15, 2008, the San Joaquin Regional Transit District (RTD) Board of Directors approved the implementation of a fare increase for the Interregional Service, effective August 1, 2008.

The need for RTD to increase its Interregional fares comes as a result of reduced state funding and increased fuel costs. RTD's Interregional fares have not been adjusted since 2001.

For more information on the implementation of the new Interregional fares, please contact Roberta Paoletti, Commuter Services, at (209) 467-6625 or (888) 802-9675.
