ROUTES 151, 152, 160, 167, and 171 TO BE DISCONTINUED

EFFECTIVE MONDAY, SEPTEMBER 5, 2011

On July 19, 2011, San Joaquin RTD's Board of Directors approved the elimination of current services to Livermore and the Dublin Bay Area Rapid Transit (BART) station; Routes 151, 152, and 167 to Lawrence Livermore National Laboratory, and Routes 160 and 171 to Dublin BART, effective September 5, 2011.

As a result of decreased transit funding and increased operating costs anticipated in Fiscal Year 2012, RTD must eliminate low-ridership routes for which customers have alternative service.

As a service alternative to accommodate these passengers, RTD will begin on September 5, 2011 fixed route service: RTD's NEW Route 150 to the Livermore/Dublin BART. This service will operate seven (7) times daily to the Dublin BART station.

To reserve a spot on the new Route 150 or request further information, please contact Roberta Paoletti at (209) 467-6625 or rpaoletti@sanjoaquinRTD.com.
