

RIDER NOTICE

September 20, 2012

Attention: Mountain House RTD-BART Commuter Customers Regarding Services Effective October 1, 2012

In response to a public petition provided to RTD staff on September 12, RTD is adjusting the Mountain House RTD-BART Commuter morning departure time 30 minutes later to 6:00 a.m.

RTD staff reviewed the petition and identified that most of the current customers are amenable and support the proposal. This schedule is anticipated to increase ridership, which will help to preserve the service for the community.

The following schedule is effective **October 1, 2012**:

To BART:

Mountain House	BART
Wicklund Elementary School	Dublin-Pleasanton Station
6:00 a.m.	6:45 a.m.

To Mountain House:

BART	Mountain House
Dublin-Pleasanton Station	Wicklund Elementary School
6:00 p.m.	6:45 p.m.

As a reminder, RTD will adjust the monthly fare for this service in November to recoup RTD's direct costs of operating this service. This fare will be based on September and October ridership levels. RTD will notify customers with the new fare in late October with another Rider Notice.

We hope that this schedule change encourages more Mountain House residents to try the RTD-BART Commuter. We appreciate your patience as we work to improve this service. If you have any questions regarding this schedule change, please contact Nathaniel Atherstone at (209) 467-6604 or natherstone@sanjoaquinRTD.com.
