

RIDER NOTICE

October 15, 2012

HAMMER TRIANGLE STATION **IMPROVEMENT** **EFFECTIVE**

Wednesday, October 17, 2012

RTD will begin construction and improving the Hammer Triangle Station for its customers. The implementation of this project will have two phases.

During the first phase of construction (approximately six weeks), the benches next to the building will not be available to customers. However, amenities on the street curb will be available and RTD buses will stop at their usual locations.

RTD will provide updates on the second phase of construction.
