5. SPECIAL PRESENTATION
  - A. EMPLOYEES OF THE MONTH

Special recognition was given to Planning Senior Specialist Damaris Galvan, Administration Employee of the Month for September.

6. PUBLIC COMMENT

James Young commented on the need for an ADA accessible ramp to access one of the bus stops for Route 81.

Jeremiah Stanley commented on passenger behavior on the bus and fare evasion on Routes 40 and 44.

Brad Muirbrook with American Logistics Company (ALC), a service provider on contract with RTD, commented on the unusually high number of complaints from Dial-A-Ride customers. He explained that there was a group of independent contractors who were having mechanical problems with their vehicles. That group of contractors has been pulled and ALC will continue to monitor contractors' performance.

Tu Can Nguyen commented on the need for improvement of routes, coach operator conduct, and the incidents at a previous Board meeting.

Deborah Gurley commented on passengers smoking in non-designated areas at the Downtown Transit Center and seats for ADA passengers. She commended a coach operator for monitoring passenger behavior on the bus.

Shawn Riley commented on the Fare Restructure, the schedule modifications for Route 93, and the removal of a bus stop on California and Oak.

Steve Herzfelt commented on schedule improvements for routes arriving in Downtown Stockton and at San Joaquin Delta Collge.

7. REPORTS

A. GENERAL MANAGER/CEO REPORT

The General Manager/CEO provided the following additional information:

- Last month, the Board approved an Operator Voluntary Retirement Incentive and seven coach operators accepted the offer. As a result, two operators were spared from layoff and five full-time operators scheduled to be converted to part-time status were able to retain full-time employment.

B. STATE/FEDERAL LEGISLATIVE REPORT

The General Manager/CEO provided the following additional information:

- October 9 was the last day for the governor to either sign or veto bills. SB 575 was signed and it extends the waiver for efficiency standards in State Transit Assistance funds through 2015. The bill frees up flexible dollars that can now be used for operating expenses.
- RTD will be vigilant in watching for new legislation regarding AB 1097 Buy America, Civil Rights, and Environmental Justice.

- The Senate Appropriations Committee approved a Transportation Spending Bill that includes a provision that eliminates Bus Rapid Transit (BRT) from New Starts. This is a concern because RTD has received New Start funds for its BRT service.
- RTD was awarded an 8.5 million State of Good Repair grant for the Regional Transportation Center. RTD's success is a direct result of sending representatives to American Public Transportation Association (APTA) legislative visits, San Joaquin One Voice visits, and RTD's reputation of good project delivery.

Marketing and Communications Manager Paul Rapp provided a presentation on RTD receiving the San Joaquin Valley Blue Print Award of Achievement for the Downtown Transit Center.
