For late night service to Lathrop and Tracy, please refer to the Route 90 schedule.

What is the Hopper?

The County Hopper is a deviated fixed route bus service connecting Stockton, Tracy, Lodi, Manteca, Ripon, and Lathrop. The Hopper replaces RTD Countywide General Public Dial-A-Ride (DAR), Rural Elderly & Disabled DAR, and County Area Transit (CAT) Fixed Route services during Hopper service hours, in the areas covered by the Hopper service.

Fares for the Hopper are the same as RTD's regular bus service: Adult 1-Ride \$1.50, Discount 1-Ride \$0.75, Adult 1-Day \$4.00, Discount 1-Day \$2.00. Deviations are \$1.00 per deviation, transfers between Metro Hopper routes are free. ADA-certified attendants ride free.

Most* RTD County Hopper routes will deviate up to 3/4 of a mile for ADA-certified Elderly & Disabled passengers not able to reach the fixed route stops (for certification information, please call 209-982-4514, option 3). Reservations are required 1-2 days in advance for all Hopper deviations. Hoppers will deviate up to three times per trip, not to exceed two deviations per person.

* Hoppers do not deviate in Lodi, Manteca, and Tracy; instead, use Grapeline, Manteca Transit, or Tracer services.

To learn more about the Hopper, please call RTD's Information Line at (209) 943-1111.
