RTD Offers Free Transportation for Stockton's Earth Day Festival

Stockton, CA—San Joaquin Regional Transit District (RTD) is proud to offer FREE shuttle service from Delta College to Stockton's 31st Earth Day festivities at Victory Park on Sunday April 14, from 10:00 a.m. – 4:00 p.m.

In support of the theme, "Bus, Bike, or Take A Hike," the free shuttle service will be provided by two RTD Van Go! vehicles, bringing guests to and from the event every fifteen minutes. Decorated with art inspired by Vincent Van Gogh, the RTD Van Go! vehicles will pick attendees up at Delta College's Shima 1 bus stop and will drop guests off at Victory Park. Parking at Delta College is free on Sunday.

Through an array of informative, interactive booths, demos, displays and exhibits, Earth Day is a chance for local area schools, environmental organizations, community agencies and green businesses to come together to share ideas and discuss important environmental issues with area residents. RTD will not only be providing transportation, it will also be displaying its all-electric bus and offering information at an outreach booth. Over 70 vendors are expected to participate in this annual event.
