

# CORONAVIRUS (COVID-19)

Once on board, customers are asked to maintain a distance between themselves and the operator and other patrons and stagger seating as much as possible to maintain the recommended social distance.

## USE STAGGERED SEATING MAINTAIN DISTANCE

San Joaquin RTD is disinfecting entry ways, fare boxes, steering wheels, operator seats, customer seat backs and hand rails. All RTD facilities surfaces, door knobs, sinks, faucets, hand rails and other common areas are disinfected daily as well as RTD amenities.
