

DBE PLAN

2016
San Joaquin Regional Transit District

(This page intentionally left blank)

Document Author: Sharon Miller, Director of Procurement

Area of application: Procurement - Contracts

Document location: P:\14 DBE\FY1011-FY13\DBEPlan 2012/DBEPlan 120228 FINAL.pdf until reassignment to SharePoint Division/Location

Original issue date: February 2, 2011 (known as "DBE Program FY2011-FY2013")

Revisions

Rev. No.	Date	Description
002	11/09/2015	Updated the DBE Plan
001	02/27/2012	Incorporating revisions to 49 CFR Part 26 and adding in the new 49 CFR Part 26.39: Fostering Small Business Participation. Update the name "DBE Program" to "DBE Plan" in accordance with RTD's Document Management guidelines established December 2011.

Executive Summary

Due to federal changes in the Disadvantaged Business Enterprise (DBE) Program, RTD is required to submit a revised DBE Plan by February 28, 2012 which incorporates revisions to 49 CFR Part 26 and adds in the new 49 CFR Part 26.39: "Fostering Small Business Participation."

This document is also revised to update the name "DBE Program" to "DBE Plan" in accordance with RTD's Document Management guidelines established December 2011.

Policy Statement

I. Objectives/Policy Statement Section (26.1, 26.23)

San Joaquin Regional Transit District (RTD) has established a Disadvantaged Business Enterprise (DBE) Plan in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. RTD has received federal financial assistance from the Department of Transportation; as a condition of receiving this assistance, RTD has signed an assurance that it will comply with 49 CFR Part 26.

It is the policy of the RTD to ensure that DBEs, as defined in Part 26, have an equal opportunity to receive and participate in DOT-assisted contracts. It is also our policy:

1. To ensure nondiscrimination in the award and administration of DOT-assisted contracts.
2. To create a level playing field on which DBEs can compete fairly for DOT-assisted contracts.
3. To ensure that the DBE Plan is narrowly tailored in accordance with applicable law.
4. To ensure that only firms which fully meet the 49 CFR Part 26 eligibility standards are permitted to participate as DBEs.
5. To help remove barriers to the participation of DBEs in DOT-assisted contracts.
6. To assist in the development of firms that can compete successfully in the market place outside the DBE Plan.

The Director of Procurement has been delegated as the DBE Liaison Officer (DBELO). In that capacity, the Director of Procurement is responsible for implementing all aspects of the DBE Plan. Implementation of the DBE Plan is accorded the same priority as compliance with all other legal obligations incurred by RTD in its financial assistance agreements with the Department of Transportation.

RTD has disseminated this policy statement to RTD Board of Directors and all of the components of our organization. RTD has distributed this statement to DBE and non-DBE business communities that perform work for us on DOT-assisted contracts. This distribution is accomplished by posting it on our website at www.sanjoaquinRTD.com and by any means requested by the public or another agency as applicable.

SUBPART A – General Requirements

A-1 Objectives (Section 26.1)

The objectives are found in the policy statement on page 7 of this plan.

A-2 Applicability (Section 26.3)

RTD is the recipient of federal transit funds authorized by Titles I, III, V, and VI of ISTEA, Pub. L. 102-240 or by Federal transit laws in Title 49, U.S. Code, or Titles I, II, and V of the Teas-21, Pub. L. 105-178.

A-3 Definitions (Section 26.5)

The terms used in this plan have the meanings defined in 49 CFR § 26.5 as amended.

A-4 Non-Discrimination Requirements (Section 26.7)

RTD will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR Part 26 on the basis of race, color, sex, or national origin.

In administering its DBE Plan, RTD will not--directly, through contractual or other arrangements--use criteria or methods of administration that have the effect of defeating or substantially impairing the objectives of the DBE Plan with respect to individuals of a particular race, color, sex, or national origin.

A-5 Record Keeping Requirements (Section 26.11)

Reporting to DOT: 26.11(b)

RTD will report DBE participation to DOT as follows:

RTD will report DBE participation to FTA on a semi-annual basis, using the Uniform Report of DBE Commitments/Awards and Payments. This report shall be submitted June 1st for the period of October 1st through March 31st and December 1st for the period of April 1st through September 30th. The report will reflect award and payments actually made to DBEs on DOT-assisted contracts.

Reporting to Caltrans

Twice yearly, RTD will submit a completed Awards/Commitments and Actual Payments spreadsheet to Caltrans. The spreadsheets are due to the transit program representative on **April 15TH** for the period of October 1 to March 31 and **October 15TH** for the period of April 1ST through September 30th. The report will reflect award and payments funded under Grant Program Sections 5310, 5311, ARRA 5311, 5316, and

5317 with identification of any DBEs awarded or payments actually made on these federally funded contracts.

Bidders List: 26.11(c)

RTD will create and maintain a bidders list, consisting of information about all DBE and non-DBE firms that bid or quote on DOT-assisted contracts. The purpose of this requirement is to allow use of the bidders' list approach to calculating overall goals. The bidders' list will include the name, address, DBE/non-DBE status, age, and annual gross receipts of firms.

RTD will collect this information in the following ways:

1. RTD will require all prime contractors bidding on DOT-assisted contracts to submit, at the time of bid opening or at any other time specified by RTD, a report of the names, addresses, and possibly other information, of all firms who quote to them on subcontracts or were contacted by the prime to provide a quote.
2. RTD will continue the use of its Vendor Application form. This form is provided to all firms interested in doing business with RTD and is used to maintain a database of firms which can be queried for required information and analysis, and are notified directly of invitations for bids and request for proposals issued by RTD.

A-6 Federal Financial Assistance Agreement (Section 26.13)

RTD has signed the following assurances, applicable to all DOT-assisted contracts and their administration:

Assurance: 26.13(a)

RTD shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any DOT-assisted contract or in the administration of its DBE Plan or the requirements of 49 CFR Part 26. The recipient shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts. The recipient's DBE Plan, as required by 49 CFR Part 26 and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and the failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to RTD of its failure to carry out its approved program, the Department may impose a sanction as provided for under Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. 3801 *et seq.*).

This language will appear in financial assistance agreements with sub-recipients.

Contract Assurance: 26.13(b)

RTD will ensure that the following clause is placed in every DOT-assisted contract and subcontract:

The contractor, sub-recipient, or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate.

SUBPART B – Administrative Requirements

B-1 DBE Plan Updates (Section 26.21)

Since RTD has received a grant of \$250,000 or more in FTA planning capital and/or operating assistance in a federal fiscal year, RTD will continue to carry out this program until all funds from DOT financial assistance have been expended. RTD will provide to DOT and Caltrans updates representing significant changes in the plan.

B-2 Policy Statement (Section 26.23)

The Policy Statement is elaborated upon in page 7 of this plan.

B-3 DBELO – DBE Liaison Officer (Section 26.25)

DBE Liaison Officer (DBELO) Responsibilities/Duties

RTD has designated the following individual as our DBE Liaison Officer:

Sharon Miller
Director of Procurement
San Joaquin Regional Transit District
P.O. Box 201010
Stockton, CA 95201

(209) 943-1111 x 607

(209) 948-8516 Fax

smiller@sanjoaquinRTD.com

In that capacity, the DBELO is responsible for implementing all aspects of the DBE Plan and ensuring that RTD complies with all provision of 49 CFR Part 26. The DBELO has direct, independent access to the Chief Operating Officer concerning DBE Plan matters. An organization chart displaying the DBELO's position in the organization is found in Attachment 1 to this plan.

The DBELO is responsible for developing, implementing and monitoring the DBE Plan, in coordination with other appropriate officials. The DBELO has no staff to assist in the administration of the plan. The duties and responsibilities include the following:

1. Gathers and reports statistical data and other information as required by DOT.
2. Reviews third party contracts and purchase requisitions for compliance with this program.
3. Works with all departments to set overall annual goals.
4. Ensures that bid notices and requests for proposals are available to DBEs in a timely manner.
5. Identifies contracts and procurements so that DBE goals are included in solicitations (both race-neutral methods and contract-specific goals attainment and identifies ways to improve progress).
6. Analyzes RTD's progress toward attainment of DBE goals and identifies ways to improve progress.
7. Participates in pre-bid and pre-proposal meetings.
8. Advises the CEO/Board of Directors on DBE matters and achievement.
9. Chairs the DBE Advisory Committee.
10. Participates in pre-bid meetings.
11. Provides DBEs with information and assistance in preparing bids and obtaining bonding and insurance.
12. Plans and participates in DBE training seminars.
13. Assists in referring firms to the California Unified Certification Program that certifies DBEs according to the criteria set by DOT and acts as liaison to the Uniform Certification Process in California.

14. Provides outreach to DBEs and community organizations to advise them of opportunities.
15. Utilizes Caltrans' updated directory on certified DBEs.

All executive staff, managers, department Heads, and procurement and buying staff are responsible for the implementation of the DBE Plan in their respective areas of authority, in coordination with the DBE Liaison Officer.

B-4 DBE Financial Institutions (Section 26.27)

It is the policy of RTD to investigate the full extent of services offered by financial institutions owned and controlled by socially and economically disadvantaged individuals in the community, to make reasonable efforts to use these institutions, and to encourage prime contractors on DOT-assisted contracts to make use of these institutions. RTD has made the following efforts to identify and use such institutions:

RTD refers to the Caltrans Civil Rights website at www.dot.ca.gov/ucp/ to run a query of DBE financial institutions that identifies services offered by financial institutions owned and controlled by socially and economically disadvantaged individuals in the community. To date, RTD has identified the institutions listed on the following table in order to be used by RTD or made available to contractors on DOT-assisted contracts:

THIS SPACE INTENTIONALLY BLANK

Information on the availability of such institutions can be obtained from the DBE Liaison Officer.

B-5 Prompt Payment Mechanisms (Section 26.29)

RTD will include the following clause in each DOT-assisted prime contract:

Prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 10 days from the receipt of each payment the prime contract receives from RTD. Prime contractor agrees further to return retainage payments to each subcontractor within 30 days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of RTD. This clause applies to both DBE and non-DBE subcontracts.

B-6 DBE Directory (Section 26.31)

RTD refers to Caltrans, who maintains a directory identifying all firms eligible to participate as DBEs. The directory lists the firm's name, address, phone number, date of the most recent certification, and the type of work the firm has been certified to perform as a DBE. Additionally, each type of work that a firm is eligible to be certified for is listed using the most specific NAIXS codes available. Caltrans revises the Directory annually. Caltrans makes the Directory available as follows: www.dot.ca.gov/ucp/. A view of the directory may be found in Attachment 2 to this program document.

B-7 Overconcentration (Section 26.33)

Currently RTD has not identified that overconcentration exists in the types of work that DBEs perform.

B-8 Business Development Programs (Section 26.35)

RTD promotes race and gender-neutral efforts to support small business concerns, including DBEs, by providing RTD contracting opportunities through business development programs. To the fullest extent possible, the DBELO will facilitate and attend small business events. Small businesses will be invited to meet with RTD's, Procurement and Project Management staff, and learn about RTD contracting opportunities. RTD will have an opportunity to become acquainted with qualified business owners who are interested in supplying services and products to RTD. In addition, the DBELO will provide information on DBE certification and DBE Plan requirements and procedures. These events will include discussions explaining how to do business with RTD and explore best business practices to market small businesses at RTD.

B-9 Monitoring and Enforcement Mechanisms (Section 26.37)

RTD will take the following monitoring and enforcement mechanisms to ensure compliance with 49 CFR Part 26.

1. RTD will bring to the attention of the DOT any false, fraudulent, or dishonest conduct in connection with the program, so that DOT can take the steps (e.g., referral to the Department of Justice for criminal prosecution, referral to the DOT Inspector General, action under suspension and debarment or Program Fraud and Civil Penalties rules) provided in 26.109.
2. RTD will consider similar action under our own legal authorities, including responsibility determinations in future contracts. RTD has available several remedies to enforce the DBE requirements contained in its contracts, including, but not limited to, the following:
 - a. Breach of contract action, pursuant to the terms of the contract.
 - b. Breach of contract action, pursuant to California Civil Code.
 - c. Any other law, statute, regulation, etc. that is available to enforce the DBE requirements.
3. In addition, the federal government has available several enforcement mechanisms that it may apply to firms participating in the DBE plan, including, but not limited to, the following:
 - a. Suspension or debarment proceedings pursuant to 49 CFR part 26.
 - b. Enforcement action pursuant to 49 CFR part 31.
 - c. Prosecution pursuant to 18 USC 1001.
4. RTD will assign a Contract Administrator to monitor and track actual DBE participation through contractor and subcontractor reports of payments in accordance with the following:

After Contract Award

After the Contract award, RTD will review the award documents for the portion of items each DBE and first tier subcontractor will be performing and the dollar value of that work. With these documents, the Contract Administrator will be able to determine the work to be performed by the DBEs of subcontractors listed.

Preconstruction Conference

A preconstruction conference will be scheduled between the Contract Administrator and contractors or their representatives to discuss the work each DBE subcontractor will perform.

RTD will also provide a monitoring and enforcement mechanism to verify that work committed to DBEs at contract award is actually performed by the DBEs. This will be accomplished by requiring the contractor to submit a completed "Subcontracting Request" before work can begin on a subcontract. Staff will not approve the request when it identifies someone other than the DBE or first tier subcontractor listed in the previously completed "Bidder DBE Information." The "Subcontracting Request" will not be approved until any discrepancies are resolved. If an issue cannot be resolved at that time, or there is some other concern, the Contract Administrator will require the contractor to eliminate the subcontractor in question before signing the subcontracting request. A change in the DBE or first tier subcontractor may be addressed during a substitution process at a later date. Suppliers, vendors, or manufacturers listed on the "Bidder DBE Information" will also follow the same process.

Substitutions will be subject to the Subletting and Subcontracting Fair Practices Act (FPA). Local agencies will require contractors to adhere to the provisions within Subletting and Subcontracting Fair Practices Act (State Law) sections 4100-4144. FPA requires contractor to list all subcontractors in excess of one half of one percent (0.5%) of contractor's total bid or \$10,000.00, whichever is greater. The statute is designed to prevent bid shopping by contractors. The FPA explains that a contractor may not substitute a subcontractor listed in the original bid except with the approval of the awarding authority.

The Contract Administrator will give the contractor a blank "Final Report, Utilization of Disadvantaged Business Enterprises (DBE)" form and will explain to them that the document will be required at the end of the project, for which payment can be withheld, in conformance with the Contract.

Construction Contract Monitoring

The Contract Administrator will ensure that the Project Manager knows what items of work each DBE is responsible for performing. Project Manager and staff will notify the Contract Administrator immediately of apparent violations.

When a firm other than the listed DBE subcontractor is found performing the work, RTD will notify contractor of the apparent discrepancy and potential loss of payment. Based on contractor's response, the Contract Administrator will take appropriate action: The DBE Liaison Officer will perform a preliminary investigation to identify any potential issues related to the DBE subcontractor performing a commercially useful function. Any substantive issues will be forwarded to the Caltrans Disadvantaged Business Enterprise Program. If contractor fails to

adequately explain why there is a discrepancy, payment for the work will be withheld and a letter will be sent to the contractor referencing the applicable specification violation and the required withholding of payment.

If the contract requires the submittal of a monthly truck document, contractor will be required to submit documentation to the Contract Administrator showing the owner's name: California Highway Patrol CA number; and the DBE certification number of the owner of the truck for each truck used during that month for which DBE participation will be claimed. The trucks will be listed by California Highway Patrol CA number in the daily diary or on a separate piece of paper for documentation. The numbers are checked by Contract Administrators regularly to confirm compliance.

Providing evidence of DBE payment is the responsibility of the contractor.

Substitution

When a DBE substitution is requested, the Contract Administrator will request a letter from the contractor explaining why a substitution is needed. The Contract Administrator must review the letter to be sure names and addresses are shown, dollar values are included, and reason for the request is explained. If the Contract Administrator agrees to the substitution, the Contract Administrator will notify, in writing, the DBE subcontractor regarding the proposed substitution and procedure for written objection from the DBE subcontractor in accordance with the *Subletting and Subcontracting Fair Practices Act*. If the contractor is not meeting the contract goal with this substitution, the contractor must provide the required good faith effort to the Contract Administrator for local agency consideration.

If there is any doubt in the Contract Administrator's mind regarding the requested substitution, the Contract Administrator may contract the District Local Assistance Engineers (DLAE) for assistance and direction.

Record Keeping and Final Report Utilization of Disadvantaged Business Enterprises

Contractor shall maintain records showing the name and address of each first-tier subcontractor. The records shall also show:

- a. The name and business address, regardless of tier, of every DBE subcontractor, DBE vendor of materials and DBE trucking company.
- b. The date of payment and the total dollar figure paid to each of the firms.
- c. The DBE prime contractor shall also show the date of work performed by their own forces along with the corresponding dollar value of the work claimed toward DBE goals.

When a Contract has been completed, Contractor will provide a summary of the records stated above. The DBE utilization information will be documented on the form "Final Report, Utilization of Disadvantaged Business Enterprises (DBE)" and will be submitted to the DLAE attached to the Report of Expenditures. The Contract Administrator will compare the completed "Final Report, Utilization of Disadvantaged Business Enterprises (DBE)" with the projected DBE goal.

RTD will keep a running tally of actual payments to DBE firms for work committed to them at the time of contract award.

Upon contract closeout, RTD staff shall provide written certification that the contracting records and monitored work sites – sites that the project is building – have been reviewed.

B-10 Fostering Small Business Participation (Section 26.39)

At all times RTD shall promote small business participation by establishing and maintaining a plan that will assist small business competition, eliminate any obstacles that may prevent their participation as prime contractors or as subcontractors.

Small Business Definition

RTD uses the Small Business Administration's (SBA) definition and size standards (as it may be amended from time to time) to define a small business:

"... a small business concern is one that is independently owned and operated, is organized for profit, and is not dominant in its field. Depending on the industry, size standard eligibility is based on the average number of employees for the preceding twelve months or on sales volume averaged over a three-year period."

RTD shall implement and maintain a Small Business Enterprise/Disadvantaged Business Enterprise (SBE/DBE) Plan to maximize participation and promote equal opportunity and nondiscrimination in all of its procurement matters and to provide opportunities for small businesses to participate in contracting and procurement at RTD. This Plan is designed to create a level playing field on which small businesses and disadvantaged businesses can compete fairly in all facets of RTD's procurement activities. This plan will use procedures that promote inclusion and opportunity while maintaining race and gender neutral measures in its operations. RTD shall promote small business participation in the following manner:

1. RTD's transportation projects historically are of a size and magnitude (range \$25,000 to \$300,000) that already accommodate small business participation. Therefore, RTD will not use small business set asides to facilitate small business participation.

2. To facilitate competition by small businesses in projects, funded in-part by DOT, RTD will unbundle projects as appropriate to help eliminate obstacles to small business participation. RTD will accomplish this task by “unbundling,” or breaking larger projects into several smaller projects sized so that SBEs might bid on them as prime contractors, and setting them aside for SBEs only or “unbundling,” or breaking larger projects into several smaller projects sized so that SBEs might bid on them as prime contractors against other firms.
3. RTD will reasonably review contracts that may allow consortia or joint ventures of small businesses to bid as prime contractors and identify other ways for small businesses, including DBEs to compete for and to perform prime contracts and identify other ways for small businesses, including DBEs to compete for and to perform prime contracts.
4. RTD shall amend contract language to require good-faith effort to use SBEs. The language shall be as follows:

Small Business Enterprise Good Faith Implementation

To actively implement the small business program, RTD partners and collaborates with local, regional, and national partners’ initiatives that are encouraging greater alliance to form strong partnerships with small businesses. RTD and its partners offer or refer technical assistance and training to those individuals pursuing entrepreneurialism. The objectives of these programs are to:

- a. Develop stronger workforce development systems.
- b. Support startup or expansion of new companies.
- c. Assist entrepreneurs and small businesses with technical assistance and assessments.
- d. Offer feasibility and technical assistance for small to mid-sized companies.
- e. Increase awareness of transportation related work opportunities in the San Joaquin region.
- f. Strengthen and develop community colleges to support small business needs.
- g. Provide support to disadvantaged workers to access job training.

Prime contractor shall make good faith efforts to use SBEs in their projects. For assistance in contacting SBEs, please contact RTD’s Procurement – Contract office at (209) 943-1111.

5. For design-build or large contracts, RTD shall require bidders to specify elements of the contract or specific subcontracts that a small business, including DBEs, can perform.

6. For contracts that do not have DBE goals, RTD shall require the prime contractor to provide subcontracting opportunities or set SBE subcontracting goals for prime contractors.
7. If implementing the overall goal wholly through race/gender-neutral measures, ensure that a reasonable number of prime contracts are small businesses (including DBEs) who can reasonably perform as contractors.
8. RTD will conduct or refer outreach, matchmaking, or networking opportunities for small businesses through:
 - a. Caltrans District 10 Small Business Liaison
 - b. Department of General Services website at <http://www.dgs.ca.gov/pd/Programs/OSDS.aspx>
 - c. Greater Stockton Chamber of Commerce
 - d. San Joaquin Hispanic Chamber of Commerce
 - e. California Delta Chambers & Visitors Bureau
 - f. Lodi Chamber of Commerce
 - g. Manteca Convention and Visitors Bureau
 - h. Tracy Chamber of Commerce
 - i. African-American Chamber of Commerce
 - j. Mexican-American Chamber of Commerce of Stockton-San Joaquin County
 - k. Central Valley Asian-American Chamber of Commerce
 - l. Delta College Small Business Center
 - m. Other agencies as appropriate
9. RTD shall provide or refer SBEs to training for small businesses to make them more competitive. Training locations include the San Joaquin Delta College Small Business Development Center and the Federal Technology Center. RTD will work with local colleges for training in construction, bidding, estimating, financial management, accounting, marketing, etc.
10. RTD shall extend DBE supportive services to SBEs.
11. RTD will search for a mentor/protégé program. Should none be available in the area, RTD shall work with SBA agencies to implement such a program.
12. RTD shall keep informed of the activities of the statewide Small Business Council.
13. Overall, RTD shall work with Small Business Development Centers, Community Development Corporations, U.S. Small Business Administration, Department of

Labor, Commerce Department, local Workforce Development program, other state agencies (e.g., Economic Justice Program, Office of Administration & Finance, Office for Access & Opportunities, California Department of Transportation (Caltrans), Office of Business & Economic Opportunity (OBEO)) and any other organization(s) that will assist in promoting small business participation in RTD's DOT-assisted contracts.

SUBPART C – Goals, Good Faith Efforts, and Counting

C-1 Set-asides or Quotas (Section 26.43)

RTD does not use quotas in any way in the administration of this DBE Plan.

C-2 Overall Goals (Section 26.45)

A description of the methodology to calculate the overall goal and the goal calculations can be found in Attachment 3 to this plan. This section of the plan will be updated tri-annually or as needed within this established goal period.

In accordance with Section 26.45(f), RTD will submit its overall goal to DOT on August 1, 2016 for the period of FY2017-FY2020. RTD's overall goal for FY2014-FY2016 is 6%. The overall goal is race-neutral.

Before establishing the overall goal, RTD will at a minimum consult with Caltrans, Greater Stockton Chamber of Commerce, San Joaquin Hispanic Chamber of Commerce, California Delta Chambers & Visitors Bureau, Lodi Chamber of Commerce, Manteca Convention and Visitors Bureau, Tracy Chamber of Commerce, African-American Chamber of Commerce, Mexican American Chamber of Commerce of San Joaquin County, and Central Valley Asian American Chamber of Commerce, to obtain information concerning the availability of disadvantaged and non-disadvantaged businesses, the effects of discrimination on opportunities for DBEs, and RTD's efforts to establish a level playing field for the participation of DBEs.

Following this consultation, RTD will publish a notice of the proposed overall goals, informing the public that the proposed goal and its rationale are available for inspection during normal business hours at RTD's principal office for 30 days following the date of the notice, and informing the public that RTD and DOT will accept comments on the goals for 45 days from the date of the notice. The notice shall be mailed to Greater Stockton Chamber of Commerce, San Joaquin Hispanic Chamber of Commerce, California Delta Chambers & Visitors Bureau, Lodi Chamber of Commerce, Manteca Convention and Visitors Bureau, Tracy Chamber of Commerce, African-American Chamber of Commerce, Mexican American Chamber of Commerce of San Joaquin

County, and Central Valley Asian American Chamber of Commerce. The notice shall be advertised in The Record and at www.sanjoaquinRTD.com. Normally, RTD will issue this notice by June 1 or each year. The notice must include addresses to which comments may be sent and addresses (including offices and websites) where the proposal may be reviewed.

Our overall goal submission to DOT will include a summary of information and comments received during this public participation process and our responses.

RTD will begin using our overall goal on October 1 of each year, unless RTD receives other instructions from DOT. If we establish a goal on a project basis, RTD will begin using our goal by the time of the first solicitation for a DOT-assisted contract for the project.

C-3 Overall Goal Setting and Accountability (Section 26.47)

If the awards and commitments shown on RTD's Uniform Report of Awards or commitments and payments at the end of any fiscal year are less than the overall applicable to that fiscal year, RTD will:

1. Analyze in detail the reason for the difference between the overall goal and the actual awards/commitments;
2. Establish specific steps and milestones to correct the problems identified in the analysis; and,
3. Since RTD is not a state DOT – not one of the largest 50 transit authorities as determined by FTA, not an Operational Evolution Partnership Plan airport or other airport designated by FAA – submission of the plan to FTA within 90 days of the end of the affected fiscal year is not required. However, RTD will still perform the analysis, establish and implement a corrective action plan, and maintain information/records regarding the analysis and efforts made.

C-4 Transit Vehicle Manufacturers Goals (Section 26.49)

RTD will require each transit vehicle manufacturer (TVM), as a condition of being authorized to bid or propose on FTA-assisted transit vehicle procurements, to certify that it has complied with the requirements of this section. Alternatively, RTD may, at its discretion and with FTA approval, establish project-specific goals for DBE participation in the procurement of transit vehicles in lieu of the TVM complying with this element of the DBE Plan.

C-5 Meeting Overall Goals/Contract Goals (Section 26.51)

The breakout of estimated race-neutral and race-conscious participation can be found in Attachment 4 to this DBE Plan. This section of the DBE Plan will be updated, at a minimum, tri-annually when the goal calculation is updated.

RTD does not intend to use any race-conscious means of obtaining DBE participation other than contract goals.

RTD will use contract goals to meet any portion of the overall goal RTD does not project being able to meet using race-neutral means. Contract goals are established so that, over the period to which the overall goal applies, they will cumulatively result in meeting any portion of our overall goal that is not projected to be met through the use of race-neutral means.

Race neutral shall have the meaning set forth in CFR Part 26.51(b).

RTD will establish contract goals only on those DOT-assisted contracts that have subcontracting possibilities. RTD need not establish a contract goal on every such contract, and the size of contract goals will be adapted to the circumstances of each such contract (e.g., type and location of work, availability of DBEs to perform the particular type of work.)

RTD will express our contract goals as a percentage of the total amount of a DOT-assisted contract.

Caltrans allows RTD the use of DBE contract goals and/or race-conscious measure when implementing its DBE Plan. RTD has a DBE Plan that is tailored to overcome discrimination. If RTD approves projection of estimates that it can meet its entire overall goals for a given year through race-neutral means, RTD shall then implement its DBE plan without setting contract goals during that year, unless it becomes necessary in order to meet its overall goal.

C-6 Good Faith Efforts Procedures (Section 26.53)Demonstration of Good Faith Efforts (26.53(a) & (c))

The obligation of the bidder/offeror is to make good faith efforts. The bidder/offeror can demonstrate that it has done so either by meeting the contract goal or documenting good faith efforts. Examples of good faith efforts are found in Appendix A to Part 26.

The following personnel are responsible for determining whether a bidder/offeror who has not met the contract goal has documented sufficient good faith efforts to be regarded as responsible.

RTD will ensure that all information is complete and accurate and adequately documents the bidder/offeror's good faith efforts before RTD commits to the performance of the contract by the bidder/offeror.

Information to be Submitted (26.53(b))

RTD treats bidder/offeror's compliance with good faith efforts' requirements as a matter of responsibility.

Each solicitation for which a contract goal has been established will require the bidder/offeror to submit the following information:

1. The names and addresses of DBE firms that will participate in the contract.
2. A description of the work that each DBE will perform.
3. The dollar amount of the participation of each DBE firm participating.
4. Written and signed documentation of commitment to use a DBE subcontractor whose participation would meet a contract goal.
5. Written and signed confirmation from the DBE that it is participating in the contract as provided in the prime contractors' commitment.
6. If the contract goal is not met, evidence of good faith efforts.

Administrative Reconsideration (26.53(d))

RTD's Bid Protest procedures will be available as administrative reconsideration to bidders/offerors who are determined by the DBE Liaison Officer to be nonresponsive to the good faith efforts requirements of the Invitation for Bid or Request for Proposal. Within 10 days of being informed by RTD that it is not responsive because it has not documented sufficient good faith efforts, a bidder/offeror may request administrative reconsideration.

Bidders/offerors should make this request in writing to:

San Joaquin Regional Transit District
Attention: Donna DeMartino, Chief Operating Officer
P.O. Box 201010
Stockton, CA 95201

(209) 941-1111 x 613
(209) 948-8516 fax

Please send email correspondences to:
Sharon Miller, Director of Procurement
smiller@sanjoaquinRTD.com

The Chief Operating Officer, pursuant to RTD's Bid Protest procedures, shall designate a reconsideration official who has not played any role in the original determination that the bidder/offeror did not make or document sufficient good faith efforts.

As part of this reconsideration, the bidders/offerors will have the opportunity to provide written documentation or argument concerning the issue of whether it met the goal or made adequate good faith efforts to do so. The bidders/offerors will have the opportunity to meet in person with RTD's reconsideration official to discuss the issue of whether it met the goal or made adequate good faith efforts to do. RTD will send the bidders/offerors a written decision on reconsideration, explaining the basis for finding that the bidder did or did not meet the goal or make adequate good faith efforts to do so. The result of the reconsideration process is not administratively appealable to the DOT.

Attachment 5 is RTD's Bid/Proposal Protest Procedures. These procedures will be followed to provide administrative reconsideration for a bidder/offeror that has been determined by the DBELO to be non-responsive to the DBE Plan requirements of RTD's bid specifications.

Good Faith Efforts When a DBE is Replaced on a Contract (26.53(f))

RTD will require a contractor to make good faith efforts to replace a DBE that is terminated or has otherwise failed to complete its work on a contract with another certified DBE, to the extent needed to meet the contract goal. RTD will require the prime contractor to notify the DBELO immediately of the DBE's inability or unwillingness to perform and provide reasonable documentation. This includes work that a prime contractor can perform with its own forces, or with a non-DBE firm, or another DBE firm. Prior to the termination request, the prime contractor must notify the DBE in writing of the intent to terminate – allowing for five days of response time in opposition of the rejection. RTD shall provide written consent only if it agrees, for reasons stated in its concurrence document, that the prime contractor has good cause to terminate the DBE firm.

Good cause includes those items listed in 49 CFR Part 26.53(f)(3).

In this situation, RTD requires the prime contractor to obtain our prior approval of the substitute DBE and to provide copies of new or amended subcontracts, or documentation of good faith efforts.

If contractor fails or refuses to comply in the time specified, RTD's Procurement-- Contracts Department will issue an order stopping all or part of payment/work until satisfactory action has been taken. If contractor still fails to comply, the contracting officer may issue a termination for default proceeding.

Sample Bid Specification:

The requirements of 49 CFR Part 26, Regulations of the U.S. Department of Transportation, apply to this contract. It is the policy of RTD to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. All firms qualifying under this solicitation are encouraged to submit bids/proposals. Award of this contract will be conditioned upon satisfying the requirements of this bid specification. These requirements apply to all bidders/offerors, including those who qualify as a DBE. A DBE contract goal of ____ percent has been established for this contract. The bidder/ offeror shall make good faith efforts, as defined in Appendix A, 49 CFR Part 26 (Attachment A), to meet the contract goal for DBE participation in the performance of this contract.

Bidders/Offerors are required to submit the following information:

1. The names and addresses of DBE firms that will participate in the contract.
2. A description of the work that each DBE firm will perform.
3. The dollar amount of the participation of each DBE firm participating.
4. Written documentation of the bidders/proposers/offerors' commitment to use a DBE subcontractor whose participation it submits to meet the contract goal.
5. Written confirmation from the DBE that it is participating in the contract as provided in the commitment made under (4); and (5) if the contract goal is not met, evidence of good faith efforts.

C-7 Counting DBE Participation (Section 26.55)

RTD will count DBE participation toward overall and contract goals as provided in 49 CFR Part 26.55.

SUBPART D – Certification Standards

D-1 Certification Process (Section 26.61-26.73)

RTD ensures that only DBE firms currently certified in the Caltrans directory will participate as DBEs in our plan.

SUBPART E – Certification Procedures

E-1 Unified Certification Programs (Section 26.81)

RTD is the member of a Unified Certification Program (UCP) administered by Caltrans. The UCP will meet all of the requirements of this section. The following is a description of the UCP:

In order for small disadvantaged firms, including those owned by minorities and women, to participate as a DBE in DOT-assisted contracts, they must apply for and receive certification as a DBE. For the state of California, DBE certification is performed by the certifying agencies of the California Unified Certification Program (CUCP). The current list of certifying agencies can be found in Attachment 6. A copy of the Caltrans DBE Program can be found at

[http://www.dot.ca.gov/hq/bep/documents/dbe/2007 DBE Program Plan.pdf](http://www.dot.ca.gov/hq/bep/documents/dbe/2007_DB_E_Program_Plan.pdf).

SUBPART F – Compliance and Enforcement

F1 Information, Confidentiality, Cooperation (Section 26.109)

RTD will not disclose information gathered that may be deemed proprietary or confidential business information, if nondisclosure is authorized by applicable federal or state laws. Notwithstanding any contrary provisions of federal or state laws, RTD will not release personal financial information submitted in response to the personal net worth requirement to a third party (other than DOT) without the written consent of the submitter.

The California Public Records Act (Government Code Sections 6250, *et seq.*) is applicable to RTD; in the event that business information is requested, RTD may be exempt from disclosure under the California Public Records Act, Freedom of Information Act, or any other such provisions.

It is understood that RTD may make such disclosure or reproduction of such information as is deemed necessary or convenient by RTD, its Board, officers, agents, or employees, for RTD's use in determining applicability of a DBE designation; however, if any person makes a request as contemplated by the California Public Records Act or any such law or regulation to review or be provided with copies of such financial information or any part thereof, and RTD denies such requests, immediately upon notification thereof, the person or entity whose information is being sought agrees to defend RTD and its elected officials, officers, agents, and employees against any action resulting from denial of such request and agrees to hold RTD and its Board, officers, agents, and employees harmless from any costs, expenses, and damages that may result.

If the entity whose information is being sought fails to promptly provide such defense, RTD, its Board, officers, agents, and employees shall be free to grant such requests, and the entity shall be deemed to have waived any cause of action, whether in law or in equity, that it may have against RTD respecting such disclosure.

Monitoring Payments to DBEs

RTD will require prime contractors to maintain records and documents of payments to DBEs for three years following the performance of the contract. Any authorized representative of RTD or DOT may request these records for inspection. This reporting requirement also extends to any certified DBE subcontractor.

RTD will keep a running tally of actual payments to DBE firms for work committed to them at the time of contract award.

RTD will perform interim audits of contract payments to DBEs. The audit will review payments to DBE subcontractors to ensure that the actual amount paid to DBE subcontractors equals or exceeds the dollar amounts stated in the schedule of DBE participation.

Office of Business & Economic Opportunity (OBEO)

Share via:

The California Department of Transportation (Caltrans), Office of Business & Economic Opportunity (OBEO) is dedicated to increasing the participation of Small Business (SB), Disadvantaged Business Enterprise (DBE), and Disabled Veteran Business Enterprise (DVBE) firms in both Federal and State contracting and procurement.

The OBEO ensures non-discrimination in the execution of contracts and promotes positive external customer relations.

Disadvantaged Business Enterprise Program (DBE)

Federal Program

Caltrans is committed to an overall Disadvantaged Business Enterprise (DBE) goal of 12.5 percent on its federal-funded projects based upon a race-neutral and race-conscious methodology. To learn more about how the DBE goal was established and how to obtain DBE Certification, click on the links below:

Find A Certified DBE Firm

DBE SEARCH
Click Here

Caution: DBE regulation (49 CFR Part §26.88) grants certifying agencies, such as Caltrans, authority to suspend DBE firms. Events that can trigger suspension include; death or incarceration of the DBE owner, DBE failing to notify in writing of any material change or if a DBE fails to timely complete and return its Annual Affidavit of no change mailed to it by a certifying agency. Certifying agencies will be implementing this policy beginning September 1, 2015.

Note: Contractors are cautioned to verify the real-time DBE database prior to hiring DBE firms. A suspended firm will have a notation on its DBE profile. While suspended, DBE firms may not be considered for contract goal on new contracts. The decision to immediately suspend a DBE is not appealable to the US Department of Transportation.

The Disadvantaged Business Enterprise (DBE) Database contains information on certified DBE firms and is **updated daily**. Use the database query form to find certified DBE firms to meet DBE goals on contracting requirements.

- **[Click here to Access the DBE Query Form](#) (*Export options: CSV | Excel | XML | PDF*)**
[DBE Query Form Instructions / Tutorial](#)
[Sample Database Query / Powerpoint](#)
- **[Click here to Access the Work Code Template](#)**
[Click here to view Caltrans District Map](#)

Where there is a DBE goal on a contract, a Bidder must show that it took all necessary and reasonable steps to achieve a DBE goal or other requirement of [Appendix "A" to Part 26](#), by their scope, intensity, and appropriateness to the objective, could reasonably be expected to obtain sufficient DBE participation, even if they were not fully successful.

Quick Search Tips:

- To find firms doing Construction Area Signs in Caltrans District 11, use [Caltrans Districts]> [11] [Work Category Codes] > scroll and select [C1200 Construction Area Signs]> [Start Search].
- To get a list of Landscape Contractors in Caltrans District 7, use [Caltrans Districts]> [07]> [License Type]> [C 27 Landscape Contractor] > [Start Search – PDF or Excel] – this will give you all firms located in Caltrans District 7.

- Search results will show firms located in a particular area, plus those firms that indicate they can work statewide will have "00" in counties and District..
- You may need to upgrade you Browser to view/download data.

DBE CERTIFICATION DOES NOT EXPIRE

NOTE: Please note that the California UCP (including Caltrans) does not issue DBE Certificates as evidence of certification. A copy of a printout from the DBE Database should be sufficient for the bid package.

If you have any questions or need verification of a DBE firm, please call our office (916) 324-1700, or the DBE's own [Certifying Agency](#).

The North American Industry Classification System (NAICS) Code:

The NAICS Code is the standard used by Federal statistical agencies in classifying business establishments for the purpose of collecting, analyzing, and publishing statistical data related to the U.S. business economy. Use the U.S. Census Bureau [NAICS Search](#) page to determine the NAICS Code.

The Work Codes supplement NAICS Codes that are used by the UCP during DBE certification process. It is classification scheme of equivalent detail and specificity, describing work a DBE firm states it can perform, whether on initial certification or when a new type of work is added to an existing certification.

These codes provide a general overview of the process used to determine code assignment, which in part considers description of work and any licenses necessary to prove control of the business by a disadvantaged owner.

The Work Code Template provided above is not an all encompassing list of work DBE firms perform and should be used as a guide only. DBE firms can always request their certifying agency (any time) to review their business activities and add or remove codes as and when necessary. DBE Firms are required to be certified with appropriate codes prior to bid date.

To learn how to filter data in Excel, please click [here](#).

ATTACHMENT 3 – OVERALL GOAL CALCULATIONS

STAFF RECOMMENDATION: **APPROVING SAN JOAQUIN REGIONAL TRANSIT DISTRICT'S (RTD) DISADVANTAGED BUSINESS ENTERPRISE (DBE) OVERALL GOAL OF 2.7% FOR FEDERAL FISCAL YEARS (FFY) 2017, 2018, AND 2019**

LEAD STAFF: **SHARON MILLER, DIRECTOR OF PROCUREMENT**

FINANCIAL IMPACT: **NONE**

BACKGROUND

Effective March 5, 2010, the Department of Transportation (DOT) Disadvantaged Business Enterprise (DBE) program rules were amended to change how often recipients are required to make goal submissions documenting the methodology and process used to establish the annual overall goal to be implemented each Federal Fiscal Year (FFY), beginning October 1. Under the new rules, DBE goal submissions should be made at three-year intervals. All recipients will no longer submit for approval their annual DBE goal methodology and process.

RTD will submit the 2.7% triennial goal for FFY 2017, FFY 2018, and FFY 2019. The next submission date will be October 1, 2019.

DISCUSSION

RTD estimates the overall goal for DBE participation in DOT assisted contracts for FFY 2017, FFY 2018, and FFY 2019 to be 2.7%. The budgeting and statistical breakdown used to derive this goal is described below. This goal does not require or include Federal Transit Administration (FTA) funds to be used for the purchase of transit vehicles.

Approved federal funding to date for FFY 2017, FFY 2018, and FFY 2019 will be provided by those listed below:

FY2017 Federally Funded Projects			
Projects	Federal	Match	Total
530Z			
Grand Total	\$5,216,726.00	\$2,138,779.25	\$ 7,355,505.25
5339			
Grand Total	\$ 468,854.14	\$ 157,965.08	\$ 626,819.22

FY 2019 Federally Funded Projects			
Project\$	Federal	Match	Total
5307			
Grand Total	\$5,216,726.00	\$2,138,779.25	\$7,355,505.25

The amount of the adjusted Annual Anticipated DBE Participation Level (AADPL) and methodology are presented herein, in accordance with Title 49 of the Code of Federal Regulations, Part 26, and the State of California, DOT DBE Program Plan.

RTD is establishing an adjusted DBE goal of 2.7% for FFY 2017, FFY 2018, and FFY 2019 beginning on October 1, 2016.

1. RTD determined applicability for the annual DBE goal and that RTD will award amounts over \$250,000.00 in Federal funds in FFY 2017, FFY 2018, and FFY 2019.
2. RTD determined the list of projects that are federally funded and their dollar amounts. North American Industry Classification System (NAICS) Codes and/or licenses were determined for each project.
3. RTD developed a weighted percentage base figure for the relative availability of DBEs by using the Caltrans Certified DBE database (www.dot.ca.gov) to determine the total number of ready DBE firms in Sacramento, San Joaquin, and Stanislaus Counties divided by the total number of all firms from the United States Census in each of the said counties (www.census.gov/econ/subj/) for the types of contracts RTD anticipates to award.
4. RTD used weighting to develop a base figure of 2.7%:

<u>Federal Fiscal Year</u>	<u>Annual Goal</u>	<u>Actual DBE Participation</u>
2014	6.5%	0%
2015	6.5%	6.5%
2016	6.5%	3.62%

Weighted Percentage + Median 2014 – 2016 / 2 = DBE Goal for FFY 2017 – 2019.

2 + 3.4 / 2 = 2.7% Overall DBE Goal for federal fiscal years 2017, 2018, and 2019

RESOLUTION NO. 5669
DATED: August 19, 2016

RESOLUTION APPROVING SAN JOAQUIN REGIONAL TRANSIT DISTRICT'S (RTD'S) DISADVANTAGED
BUSINESS ENTERPRISE (DBE) OVERALL GOAL OF 2.7% FOR FEDERAL FISCAL YEARS (FFY)
2017, 2018, AND 2019

WHEREAS, San Joaquin Regional Transit District (RTD) determined applicability for the annual DBE goal and that RTD will award amounts over \$250,000.00 in Federal Transit Administration (FTA) funds in FFY 2017, FFY 2018, and FFY 2019; and

WHEREAS, RTD estimates the overall goal for DBE participation in DOT assisted contracts for FFY 2017, FFY 2018, and FFY 2019 to be 2.7%; and

WHEREAS, RTD established the amount of the adjusted Annual Anticipated DBE Participation Level (AADPL) and methodology, in accordance with Title 49 of the Code of Federal Regulations, Part 26, and the State of California DOT DBE Program Plan.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the San Joaquin Regional Transit District Board of Directors that staff be, and hereby is, authorized and directed to administer the proposed adjusted overall participation goal of 2.7%.

Donna DeMartino, the duly appointed, qualified, and acting Secretary of the San Joaquin Regional Transit District, does hereby certify that the forgoing is a true and exact copy of the Resolution passed and adopted at a regular meeting of the Board of Directors of said District held on July 15, 2016.

DATED: August 19, 2016

DONNA DEMARTINO, SECRETARY

ATTACHMENT 4 – BREAKOUT OF ESTIMATED RACE-NEUTRAL & RACE-CONSCIOUS PARTICIPATION

MEMORANDUM

DATE: August 1, 2016

TO: FILE

FROM: Sharon Miller, Director of Procurement

A handwritten signature in red ink, appearing to read "Sharon Miller", is written over the printed name.

SUBJECT: DBE Triennial Goal Setting for Federal Fiscal Years (FFY) 2017-2019

STEP 1 – ESTABLISH LIST OF PROJECTS

I received from the Grants Department the list of projects that were approved for FFY17 through FFY19 and reviewed them with George Lorente, Grants Manager. I met with George Lorente to establish what federal monies from current and past years would be forwarded to FFY14.

The attached chart lists federally funded projects for FFY. Each project identified below will reveal which projects will need to be reviewed for subcontracting opportunities and DBE race conscious and race neutral goals.

FFY2017 Federally Funded Projects
<u>5307</u> Capital Cost of Contracting Preventive Maintenance Operating Assistance Grants Administration Tire Leases Security
<u>5339</u> Cummins ISB Engine Allison DPIM Allison ESS
<u>Crosstown Miner BRT</u> Shelters Installation Engineering
<u>MLK Blvd BRT</u> Shelters Installation Engineering

STEP 2 – FEDERALLY FUNDED PROJECTS

Of the projects listed above, these projects are determined to be federally funded and able to be solicited.

FFY2017 Federally Funded Projects			
Projects	Federal	Match	Total
5307			
Security	\$ 51,493.00	\$ 12,873.25	\$ 64,366.25
Grand Total	\$ 51,493.00	\$ 12,873.25	\$ 64,366.25
5339			
Cummins ISB Engine	\$ 110,346.50	\$ 27,586.59	\$ 137,933.09
Allison DPIM	\$ 146,948.90	\$ 36,737.23	\$ 183,686.13
Allison ESS	\$ 211,558.74	\$ 93,641.26	\$ 305,200.00
Grand Total	\$ 468,854.14	\$ 157,965.08	\$ 626,819.22
Crosstown Miner BRT			
Shelters	\$ 1,491,422.53	\$ 1,393,142.14	\$ 2,884,564.67
Installation	\$ 108,577.47	\$ 101,422.53	\$ 210,000.00
Engineering	N/A	\$ 758,240.00	\$ 758,240.00
Grand Total	\$ 1,600,000.00	\$ 2,252,804.67	\$ 3,852,804.67
MLK Blvd BRT			
Shelters	\$ 1,747,302.67	\$ 1,448,100.68	\$ 3,195,403.35
Installation	\$ 352,697.33	\$ 292,302.67	\$ 645,000.00
Engineering	N/A	\$ 758,240.00	\$ 758,240.00

Grand Total	\$ 2,100,000.00	\$ 2,498,643.35	\$ 4,598,643.35
--------------------	------------------------	------------------------	------------------------

FFY2018 Federally Funded Projects			
Projects	Federal	Match	Total
5307			
Tire Leases	\$ 213,600.00	\$ 53,400.00	\$ 267,000.00
Security	\$ 51,493.00	\$ 12,873.25	\$ 64,366.25
Grand Total	\$ 265,093.00	\$ 66,273.25	\$ 331,366.25

FFY2019 Federally Funded Projects			
Projects	Federal	Match	Total
5307			
Security	\$ 51,493.00	\$ 12,873.25	\$ 64,366.25
Grand Total	\$ 51,493.00	\$ 12,873.25	\$ 64,366.25

STEP 3 – IDENTIFY SUBCONTRACTING OPPORTUNITIES

FFY2017 Federally Funded Projects	
5307 Security	This is a general fund and no specific projects have been identified at this time. However, we will perform a full outreach on any solicitation.
5339 Cummins ISB Engine Allison DPIM Allison ESS	No subcontracting opportunities are identified.
Construction of the Bus Rapid Transit – Phase IV Martin Luther King, Jr. Corridor Improvements	Electrical, License A Contractor, License B Contractor, Earthwork/Paving, Hazardous Material Removal, Electrical, Fencing, Parking/Hwy Improvements, Steel Reinforcing, Landscaping, Masonry, Drilling/Blasting, Construction Zone Traffic, Demo
Construction of the Bus Rapid Transit – Phase V Crosstown Miner Corridor Improvements	Electrical, License A Contractor, License B Contractor, Earthwork/Paving, Hazardous Material Removal, Electrical, Fencing, Parking/Hwy Improvements, Steel Reinforcing, Landscaping, Masonry, Drilling/Blasting, Construction Zone Traffic, Demo

FFY2018 Federally Funded Projects	
5307 Tire Leases Security	No subcontracting opportunities are identified. Security is a general fund and no specific projects have been identified at this time. However, we will perform a full outreach on any solicitation.

FFY2019 Federally Funded Projects	
5307 Security	This is a general fund and no specific projects have been identified at this time. However, we will perform a full outreach on any solicitation.

STEP 4 – PROJECTS WITH SUBCONTRACTORS

Construction of the Bus Rapid Transit – Phase IV Martin Luther King, Jr. Corridor Improvements	Electrical, License A Contractor, License B Contractor, Earthwork/Paving, Hazardous Material Removal, Electrical, Fencing, Parking/Hwy Improvements, Steel Reinforcing, Landscaping, Masonry, Drilling/Blasting, Construction Zone Traffic, Demo
Construction of the Bus Rapid Transit – Phase V Crosstown Miner Corridor Improvements	Electrical, License A Contractor, License B Contractor, Earthwork/Paving, Hazardous Material Removal, Electrical, Fencing, Parking/Hwy Improvements, Steel Reinforcing, Landscaping, Masonry, Drilling/Blasting, Construction Zone Traffic, Demo

STEP 5 – GATHERING THE INFORMATION

Each of the subcontract opportunities should be tagged with NAICS codes.

US Census – Go to <http://www.census.gov/eos/www/naics/> and look for the total number of Contractors under each identified NAICS code.

After US Census, go into the Caltrans DBE Website.

First do a report for an NAICS code you have using Sacramento, San Joaquin, and Stanislaus counties and save it to your file.

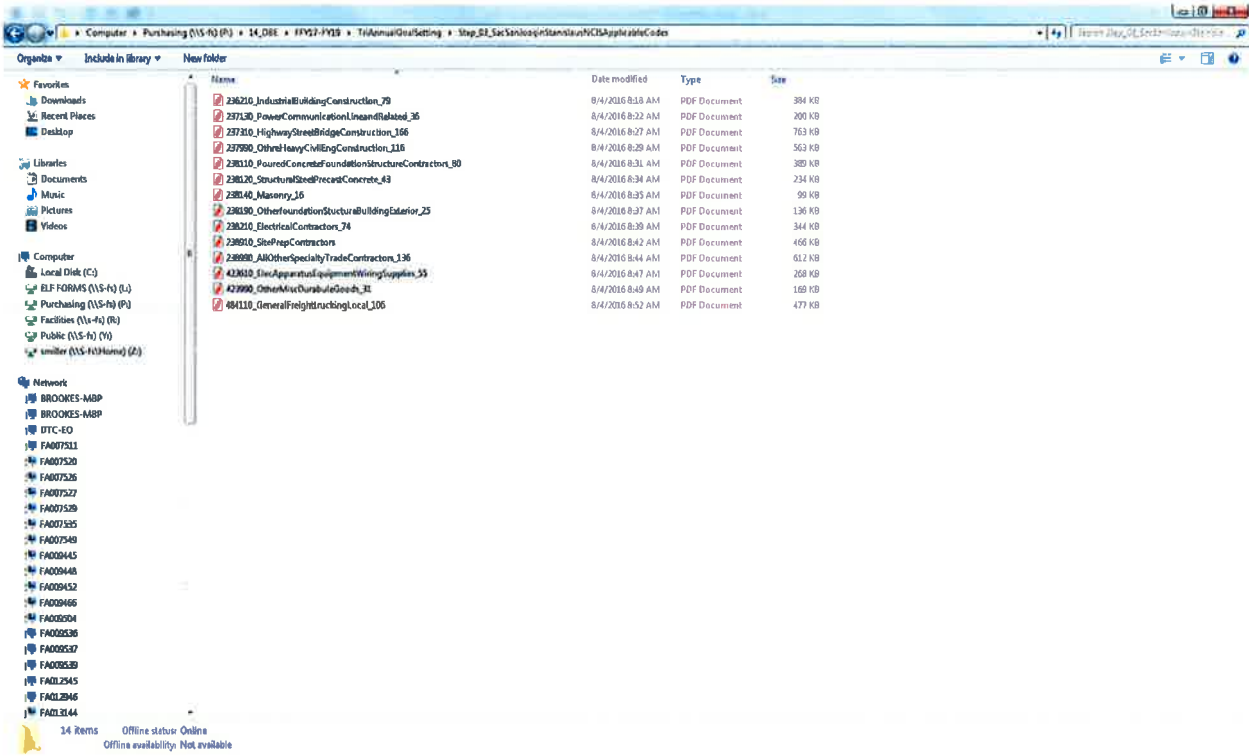

Divide the DBE NAICS codes by the Census Codes to get a percentage of DBEs available to do that NAICS work.

Example:

NAICS codes identified for the above projects determined there are 1061 DBEs available for the 3 counties. The census number for the 3 counties for the established NCIS codes for the projects listed above was estimated at 21,770: $1061/21,770=4.9\%$ are DBEs.

Taking into consideration the last triennial DBE goal, shortfalls, the current contract named above, and discussions with Sacramento Regional Transit, City of Manteca, and City of Ripon, staff feel that a goal of 2.7% is fair and reasonable for the next 3 years.

Staff identified 1061 Disadvantaged Business Enterprise firms.

ATTACHMENT 5 - RTD BID PROTEST PROCEDURES

2.22 RTD LEVEL PROTEST PROCEDURES – GENERAL CONDITIONS:

- 2.22.1 RTD's review of any protest will be limited to violations of state or local laws or regulation, violations of RTD's purchasing procedures, or violations of RTD's protest procedures or failure to review a complaint or protest.
- 2.22.2 Protests based on restrictive or severely defective specifications, or improprieties in any type of solicitation that are apparent prior to Bid opening or closing date for Bids, must be received by RTD no later than five (5) days before the scheduled Bid opening.

RTD must receive protests based upon the staff recommendation for Contract award within seven (7) calendar days from the date that the notice is sent to all Bidders advising RTD, of the staff's recommendation for award of Contract.

2.22.3 The protest filed with RTD shall be in writing and shall:

- 1.22.3.1 Include the name, address, and telephone number of the protester; and the name of a contact person; and,
- 1.22.3.2 Identify the number, date, and description of the solicitation; and,
- 1.22.3.3 Contain a statement of the grounds for protest and any supporting documentation. The grounds for the protest must be supported to the fullest extent feasible. Additional materials in support of the protest will be considered only if filed within the time limits specified; and,
- 1.22.3.4 Indicate the ruling or the relief desired from RTD.

Six copies of the protest must be provided and addressed as follows:

For Special Delivery, Hand Delivery or U.S. Mail

Attention: Chief Executive Officer
San Joaquin Regional Transit District
421 East Weber Avenue – 2nd Floor
P. O. Box 201010
Stockton, CA 95201

RTD may not consider protests not properly addressed to RTD. Copies of RTD Protest Procedures may be obtained from RTD's Procurement – Contracts Department, 421 East Weber Avenue, 2nd Floor, P.O. Box 201010, Stockton, California, 95201; Telephone (209) 948-467-6607.

CHAPTER IX

BID PROTEST PROCEDURES

Section 9.1 Policy

It is the policy of the RTD to consider fully and adjudicate promptly protests filed by prospective bidders or bidders relating to RTD's bidding procedure, contract specifications or award of contract. Protests shall be processed in accordance with the provisions of this section. Bidders shall be advised of these procedures in the contract specifications, and at the pre-bid conference, if any. A bidder's failure to follow these bid protest procedures may result in rejection of the protest by RTD.

These procedures shall apply to contracts that are awarded by formal competitive bidding ("IFBs") and by competitive negotiations ("RFPs"). All documents for these types of procurements shall include Bid Protest Procedures, either explicitly or by reference. Small purchase contracts are not subject to protest. For procurements involving competitive negotiations under Government Code Sections 20216 and 20217 (competitive negotiations for technology equipment and rolling stock), RTD shall follow the Protest Procedures set forth in Section 6.15 of this Manual.

The General Manager may delegate the review of bid protests to officers or managers for procurements valued at \$150,000 or less.

The term protest is utilized to describe the controversies that arise usually during the contract formation process as an objection to a contract award or to a decision on a specific bid. The protests are challenges to actual or proposed actions of the contracting officers on specific procurements. These objections are brought by offerors, prospective offerors, or other interested parties who contend that they have been improperly treated in the procurement process. **All protests must be submitted in writing, within the prescribed deadlines.**

Section 9.2 General Procedures

RTD's review of any protest will be limited to violations of state or local laws or regulations, violations of RTD's purchasing procedures, or violations of RTD's protest procedures.

Protests based on restrictive or severely defective specifications, or improprieties in any type of solicitations that are apparent prior to bid opening or the closing date for proposals, must be received by RTD no later than five (5) days before the scheduled bid opening. Protests based upon the staff recommendation for contract award must be received by RTD within seven (7) calendar days from the date that notice is sent by RTD to all bidders advising of the staff's recommendation for award of contract.

The protest filed with RTD shall be in writing and shall:

1. Include the name, address and telephone number of the protester; and the name of a contact person.
2. Identify the number, date, and description of the solicitation.
3. Contain a statement of the grounds for protest and any supporting documentation. The grounds for the protest must be supported to the fullest extent feasible. Additional materials in support of the protest will be considered only if filed within the time limits specified.
4. Indicate the ruling or relief desired from RTD.

As set forth in Section 9.2, a protest may be considered, even if the filing is late but submitted in a timely manner, under the following circumstances:

1. Good cause based on compelling reasons beyond the protestor's control, whereby the lateness is due to the fault of RTD in the handling of his/her protest submission.
2. RTD determines the protest-raised issues significant to a procurement practice or procedure.
3. RTD is directed by FTA to either consider or reconsider a protest.
4. A court of competent jurisdiction requests, expects, or otherwise expresses interest in RTD's decision.

No formal briefs or other technical forms of pleading or motion are required, but a protest and other submissions should be concise, logically arranged, clear and legible.

Any additional information requested or required by RTD from the protestor, or interested parties shall be submitted as expeditiously as possible, but in no case later than five (5) days after the receipt of such request unless specifically excepted by RTD.

Section 9.3 Confidentiality

Materials submitted by a protestor will not be withheld from any interested party outside of RTD or from any Government agency which may be involved in the protest, except to the extent that the withholding of information is permitted or required by law or regulation. If the protestor considers that the protest contains proprietary materials which should be withheld, a statement advising of this fact may be affixed to the front page of the protest document and the alleged proprietary information must be so identified wherever it appears.

Section 9.4 Withholding Of Award

When a protest has been filed before the opening of bids, RTD will not open bids prior to the resolution of the protest. When a protest has been filed after the opening of bids, RTD will consider the protest prior to taking action to award the contract. Exceptions to the above may occur if RTD determines that:

1. The items to be procured are urgently required; or
2. Delivery or performance will be unduly delayed by failure to either make the award promptly or to continue with the procurement; or
3. Failure to make prompt award or to continue with the procurement will otherwise cause undue hardship to RTD or other local, state or federal governments.

If FTA funds are involved, RTD will notify FTA prior to making any award based on the above exceptions.

Section 9.5 Protest Review - Level One

Upon receipt of a protest, the General Manager will appoint an ad hoc RTD Protest Review Panel to review all relevant materials associated with the protest. The Panel shall be comprised of two representatives of RTD appointed by the General Manager. The Panel shall determine the validity of the protest and what actions will be taken.

A conference on the merits of the protest with members of RTD Protest Review Panel may be held at the request of the protestor. The request for a conference should be made in a timely manner so as not to interfere with the resolution of the protest and not later than two (2) days after the protest was filed.

The Panel will be directed to prepare a report within fifteen (15) days. The Panel will notify the protestor and any interested parties of their findings and actions and of the procedures for requesting reconsideration. The report shall include the following as relevant:

1. Copies of and/or reference to all relevant documents;
2. A copy of the Invitation for Bid or Request for Proposal, including pertinent provisions of the specifications.
3. A copy of the abstract of bids.

Section 9.6 Protest Review - Level Two

Reconsideration of a decision by RTD may be requested by the protestor or any interested party. The request for reconsideration shall contain a detailed statement of

the factual and legal grounds upon which reversal or modification is deemed warranted, specifying any errors of law or fact made.

The request for reconsideration of RTD Protest Review Panel's decision shall be filed no later than five (5) days after the Panel issues its written report, and shall be filed with the General Manager.

For contracts within the General Manager's procurement authority, the General Manager shall schedule an informal administrative hearing with the protestor and RTD Protest Review Panel. The hearing shall be held no later than fifteen (15) days after the receipt of the request for reconsideration. The General Manager shall issue, in writing, RTD's final determination of the reconsidered protest within five (5) days of the administrative hearing. Except in cases where the project is FTA funded (see below), the General Manager's decision is final.

For contracts that are beyond the General Manager's procurement authority, the request for reconsideration will be referred to a sub-committee of or RTD's full Board of Directors for decision. A protestor may appear before the reviewing Board committee to present evidence in support of its appeal. After full consideration of the protestor's evidence, the staff recommendation, and any other relevant information, the committee may make a recommendation to the Board to reject or allow the appeal. If the matter is referred directly to the Board without prior committee review, the Board will allow the protestor an opportunity to address the full Board. After consideration of the protestor's evidence, the staff recommendation, and any other relevant information, the Board may determine whether to reject or allow the protest. Upon Board action, a written statement of the reasons therefore shall be included in the record. Except in cases where the project is FTA funded (see below), the Board of Directors' decision is final.

Section 9.7 Protest Procedures - FTA Funded Contracts

1. Bidder shall have five days from the determination to reject the protest to appeal the decision to FTA, in accordance with the procedures set forth in FTA Circular 4220.1E, as may be periodically updated. FTA's review will be limited to protests alleging that RTD failed to have written protests procedures, that RTD violated its protest procedures, or federal law has been violated. FTA's remedy is limited to requiring RTD to develop such procedures and to follow them to ensure federal funding participation in the contract. The Procurement Department shall coordinate with Grants staff to submit an initial notification within one working day to the FTA upon the receipt of a protest against a federally funded contract action. Award of the contract, if it is made, shall be subject to confirmation from FTA that a protest has not been filed during this period. The Procurement Department shall obtain from FTA confirmation that the protest and decision has or has not been appealed.

2. If the bidder does not appeal to FTA within five (5) days of RTD's decision, the decision shall become final.
3. If the protest is appealed to FTA, the Procurement Department shall notify all bidders on the contract of the pending appeal. The notice shall inform each bidder of its right to communicate directly with FTA.
4. RTD shall not award a contract or enter into an agreement until FTA has rendered its decision on the protest, except in the following circumstances: (a) the items to be procured are urgently required; (b) delivery or performance will be unduly delayed by failure to make the award promptly; or (c) failure to make prompt award will otherwise cause undue harm to RTD or the federal government.
