BACKGROUND:

When the COVID-19 pandemic began, California Governor Gavin Newsom signed an Executive Order that allowed public agencies to meet virtually. The most recent Executive Order, N-33-20, expired on September 30, 2021.

On September 16, Governor Newsom signed Assembly Bill (AB) 361. AB 361 gives the option for public agencies to continue meeting virtually until January 1, 2024. This bill allows local agencies to use teleconferencing in compliance with the Ralph M. Brown Act. Every thirty (30) days the RTD Board of Directors must reconsider the continuing need for virtual meetings.

DISCUSSION:

Virtual meetings are permitted presently because Governor Newsom has proclaimed a state of emergency. The State of California and many local officials have recommended measures to promote social distancing. If those conditions change, the local agency can still meet virtually if it has determined that physical presence at meetings would present imminent risks to the health and safety of attendees.

Attached is a form of resolution, which if adopted by the RTD Board, would permit the Board to continue to meet remotely so long as the Board met and considered the need to continue to meet remotely.
